

 Herman Miller

TRY A chair

The no-risk, no-obligation, no-pressure way to choose a work chair

Choosing the right work chair may well be the most important furniture buying decision you make. And, thanks to Herman Miller's Try-A-Chair program, it may well be the easiest. That's because this program lets you try first, in your own workplace.

No risk. No cost. No obligation.

Contact Henriksen / Butler and an account manager will help you choose the right demo chair for your application and deliver it to your office.

While you're selecting the chair that's right for you, take advantage of Herman Miller's chair user tools. They include:

Comfort Diagnosis Form -- helps you understand what to look for and how to really evaluate a chair's performance.

Individual Chair Hangtag -- shows you all the chair's adjustments and controls.

Once you have your demo chair, you can discover for yourself how well made, innovative and comfortable Herman Miller chairs are -- and how beautifully they work.

Call us to try a Herman Miller chair.

After you've tried the chair for a week, a month, or however long it takes to get to know the chair, H/B will pick it up. If you want to buy, place an order and you will get a brand new chair with Herman Miller's 12-year, 3-shift, parts and labor warranty.
